

Office of Drinking Water 2025 - Training Opportunities

To register for classes at the Office of Drinking Water (ODW), email Thomas.Mambande@delaware.gov with the name of the participant(s) and the date of the class they want to attend. Please include a contact email address for each participant. All ODW trainings are **free of charge** and take place at the Office of Drinking Water.

TRAINING COURSE DESCRIPTIONS

Approved Sampler/Tester (AST) Training for Non-Operators

An approved sampler/tester is certified by Delaware Health and Social Services to conduct routine water sampling and water quality analyses for Public Water Systems. To be certified as an AST, an individual must attend the AST Basic class and pass a test to receive certification. To renew the AST certification, an individual must take the AST Refresher class and pass the test. The AST trainings do not offer Educational Contact Hours (ECHs).
