

DELAWARE MEDICAID RETROACTIVE COVERAGE

MEMBER FACT SHEET

The Division of Medicaid and Medical Assistance (DMMA) is expanding the groups of individuals who are eligible for retro-active Medicaid coverage. This fact sheet provides what you need to know.

What should I do if I have questions?

If you might be eligible for retroactive coverage, you would have received a letter with more instructions. For additional information, contact the Division of Social Services (DSS) Customer Relations Unit (CRU) at 1-866-843-7212.

Who may be eligible for retroactive coverage?

- **Pregnant women (including women in their 60 day postpartum period)**

- **Children under 19 years of age**

Individuals noted above who have been determined eligible for Medicaid in Delaware on or after 8/1/19 may be eligible to get medical bills covered by Medicaid for up to three months prior to their application, if they meet eligibility rules.
